Introduction

Loves computers—from building desktops and laptops to programming and working with advanced tools and technologies. Has hands-on experience with Docker, Wireshark, Nmap, AWS EC2, web dev, Postman, MongoDB and various IoT development boards, including ESP32, Arduino Uno, and Raspberry Pi. Has built various practical 3D models using AutoCAD Fusion 360 including but not limited to Gear Shift Pro (A smart and modular peddle assist system) and SpringPod (A retractable shelter for emergencies). A very confident Linux user.

Education

BTech UPES Dehradun , Computer Science	May 2024 – August 2028
• CGPA: 9.31/10.0 (Grade Card Link)	
12th Amity International School , PCM+CS	May 2023 – May 2024
CBSE • Percentage: 80.40 % (Mark Sheet Link)	
10th Amity International School , CS	May 2021 – May 2022
CBSE • Percentage: 92.80 % (Mark Sheet Link)	

Experience

Linux World Informatics Pvt Ltd , Student Intern	(Organization Website)
• Developed an Artificial Intelligence platform from scratch using ML/DL and Generative AI techniques.	Jaipur, Rajasthan
• Integrated the platform with a DevOps pipeline and cloud computing, ensuring scalability and automation.	June 2024 - July 2024
Harmony House India , Teaching Assistant	(Organization Website)
• Conducted computer literacy workshops for children and teenagers, covering topics from the basics of computers and presentations to HTML, Python, and Scratch programming.	Gurugram, Haryana
• Built interactive tech models (Humanoid & Robot prototypes) for exhibitions, showcasing creativity, teamwork, and practical application of technology.	June 2025 – July 2025

Leadership Roles

UPES IEEE SPS , Technical Head	(Organization LinkedIn)
• Automated the mailing system as well as the badge and introductory guide distribution process for new registrations.	Dehradun, Uttarakhand
• Planned technical boot camps and worked on the development of a new website for the chapter.	August 2025 – January 2026
UPES CSA , Associate Technical Head	(Organization Website)
• Oversaw technical operations and event execution for the student chapter, ensuring smooth club functioning.	Dehradun, Uttarakhand
• Developed automation scripts to simplify website-related tasks, improving efficiency for future teams.	June 2024 – July 2025
Amity International School , Cyber Captain (Student Council)	(Organization Website)
• Gained early leadership experience by organizing school events, conducting we-	Gurugram, Haryana June

binars, and teaching peers.

2024 - July 2024

- Provided technical assistance to teachers, supporting the smooth delivery of academic activities.

ACADEMIC & EXTRA-CURRICULAR ACHIEVEMENTS

- **Organizing Committee**, AWS Community Day, Dehradun [Event Link](#)
- **President**, CyberBuzz 2023 : Hosted the Amity's annual Technology Fest [Event Link](#)
- **Speaker**, Webgenesis 2025 : Taught students about the fundamentals of Git and Github [Event Link](#)
- Awarded **Star Performer** at UPES CSA 2024 [Organization Link](#)

Projects

Gear Shift Pro – 1st Place, ACON 3D Modeling Contest 2023

- Designed modular attachments to convert standard bicycles into assisted electric bikes, promoting sustainable transportation
- Tools Used: 3D Modeling Software (e.g., Fusion 360, AutoCAD)

Surge – Emergency Shelters – 1st Place, E-Colosseum 2023 Contest 2023

- Designed a fully modular retractable 3D-modeled shelter that can expand during emergencies and save space otherwise
- Tools Used: 3D Modeling Software (e.g., Fusion 360, AutoCAD)

Simple Cubes [Github Link](#)

- Developed a Python module for easy 3D data storage on cube faces, usable for games or real-world grid problems
- Implemented a reference Tic-Tac-Toe game to demonstrate functionality
- Tools Used: Python

Technologies & Skills

Languages: C, python, Java (Preferred), SQL

Cyber Security: Nmap, Wireshark

Frontend: ReactJS, Bootstrap, Tailwind

Cloud: AWS EC2

DevOps: Docker

Database: MySQL, MongoDB

API: Flask, Postman, Twilio

Automation: Selenium, PyAutoGUI

Misc: Red Hat Enterprise Linux (RHEL), Arch Linux, Git and Github, Fusion 360, Auto CAD

Soft Skills: Leadership, Teamwork, Problem Solving
